STEPHANIE KOPELOUSOS
SECRETARY

February 8, 2010

District 5 is pleased to announce the scheduling of a Dewatering Discharge Workshop (presented by Lydia Wing from G-E-C and Randall Cunningham or Ali Kazi from Florida Department of Environmental Protection Agency). A summary of the main topics are:

- The basic types of dewatering and discharge Permits required.
- The Permitting Agencies.
- Permit Owner(s)
- Being Prepared
- Alternate approaches to obtaining a Permit!
- Deviations to discharge permits (VERY APPLICABLE TO FDOT)
- Discharge of Petroleum Contaminated Effluent
- Discharge of Non-Contaminated Effluent
- Sampling Requirements
- Analytical Requirements
- What Do those results mean?

The dates and locations are:

- **Wednesday, March 31, 2010** – District Office (719 S. Woodland Blvd DeLand FL 32720) – Cypress Conference Room 8:00 am to 12:00 pm
- **Tuesday, April 6, 2010** – Orlando Construction (133 S. Semoran Blvd Orlando FL 32804) - Lake Apopka Conference Room 8:00 am to 12:00 pm

Target Audience: Resident Engineers, Senior Project Engineers, Project Managers, Project Administrators, Sr. Inspectors, and Field Inspectors, contractors.

Professional Engineers will be able to get PDH credits for this training. Please bring your PE number to receive the credit.

Please forward this email announcement to anyone that might have been left off and/or should attend the training.

Please sign up for the training by emailing GERALYNN MORGAN at Geralynn.morgan@dot.state.fl.us or by phone 386-943-5356 by the **Thursday, March 18, 2010**.

If you have any questions or need further assistance, please let me know.

Thanks,
Gigi
