

## VILLAS OF GRAND CYPRESS

All reservations must be made by July 14, 2008 in order to get the FTBA room rate.

The demand for rooms at the FTBA Convention is great. The rooms at Hyatt Regency Grand Cypress are sold out. We may have a few rooms become available at the hotel through attrition. If you would like to be on the waiting list should some rooms become available please email [bburleson@ftba.com](mailto:bburleson@ftba.com) with your name, contact info, arrival and departure dates. You will be notified at least a week in advance of the convention if a room is available. In addition, we have made arrangements for some rooms at the beautiful Villas of Grand Cypress that are adjacent to the Grand Cypress Golf Course.

The villas are club suites (the standard room), 2 bedroom villas, three bedroom villas and four bedroom villas. I know that some people are bringing their families and the 2, 3, & 4 bedroom villas all have living room, dining room and fully equipped kitchen and the same "per bedroom" rate. (\$189 plus tax and resort fee per bedroom). These are a wonderful option. A shuttle runs between the villas and the main hotel.

More info is available on the villas at the following website.
