FAQs:

What is the Young Leadership Group?

The Young Leadership Group (YLG) is intended to be a peer group of professionals and contractors in the Road Building industry who represent the next generation of leaders. This is an opportunity to get to know the people with whom we do business in a social setting, re-establish good relationships between Contractors, Designers, Consultants and the FDOT, restore a sense of trust between these parties and make this business fun again.

Do I have to be young to attend?

No, but you do have to support the success of the youth in our industry.

Do I have to be an FTBA member?

No, because you will be someday soon.

If you have any questions please contact:
