What is the Young Leadership Group?

The Young Leadership Group (“YLG”) is intended to be a peer group of professionals and contractors in the Road Building industry who represent the next generation of leaders. The YLG is an opportunity to get to know the people with whom we do business in a social setting. We hope to re-establish trust and good relationships between Contractors, Designers, Consultants, and the FDOT to make this business fun again.

If you have any questions please contact:
