Amendment 4

Those of you who attended the 2009 Convention in Boca Raton heard a lot about Amendment 4 and the dangers it poses to all Floridians. I am attaching a one page info sheet on Amendment 4 along with info on contributing to Floridians for Smarter Growth (FSG), the group organized to defeat Amendment 4.

I hope you will consider a contribution to FSG. Corporate contributions are allowed. Should you decide to contribute I would appreciate you making the check out to Floridians for Smarter Growth and sending to FTBA. We would like to put as many industry contributions as possible together before the end of the year to present to FSG. Should this amendment pass the consequences for all Floridians and our industry in particular would be devastating.

Thanks for your consideration,

Bob
